

PROFESSIONAL SUMMARY

Sustainability and program coordinator with more than five years running environmental and social-impact initiatives across Indonesia, backed by an auditor’s discipline with data and reporting. I coordinate initiatives and the people behind them, monitor environmental and program performance, prepare clear reports, and keep certification and compliance work on schedule. Bachelor’s in Accounting, certified in Nature-based Solutions, based in Bali, and fluent in English and Bahasa Indonesia.

CORE COMPETENCIES

Sustainability program coordination | Environmental and CSR initiatives | Sustainability data monitoring and reporting | Certification and compliance support | Employee and stakeholder engagement | Project coordination | Monitoring and evaluation | Documentation and process | Strong organization and communication | Fluent English and Bahasa Indonesia

PROFESSIONAL EXPERIENCE

- Head of Portfolio (Operations)** | Black Licorice

March 2026 – Present · Bali, Indonesia

 - Coordinate program delivery and reporting for an impact accelerator, tracking milestones and preparing clear updates for leadership, funders, and partners.
 - Manage documentation, stakeholder communication, and cross-team coordination for a lean organization.
- Social Impact Manager** | Nuanu Social Fund

January 2025 – March 2026 · Tabanan, Bali, Indonesia

 - Coordinated sustainability-focused programs across five pillars including Nature and Health & Wellness, assessing initiatives and tracking impact against community needs.
 - Built impact measurement approaches and prepared reporting for a community and environment focused fund.
- Program Manager** | Pratisara Bumi Foundation

September 2024 – December 2024 · Bali, Indonesia

 - Coordinated women-led environmental programs including grassroots conservation and communal forest monitoring across Bali and NTT.
 - Managed partner engagement, workshops, and reporting for youth-focused sustainable local-economy initiatives.
- Impact Lead** | KULAKU Indonesia

September 2022 – August 2024 · South Sumatra, Indonesia

Led training and scholarship programs reaching 100+ coconut farmers, 50+ women, and 10+ scholarship recipients. Measured and reported outcomes across financial literacy, sanitation, and livelihoods.
- Enterprise Development Officer / Project Officer** | Instellar Indonesia

February 2021 – September 2022 · Jakarta, Indonesia

 - Ran RFP processes, vendors, grants, and funding reports across several concurrent national programs, acting as the point of contact for partners and stakeholders.
 - Coordinated events, schedules, and deliverables across internal teams and external partners including a UK FCDO program, keeping everything on track under deadline.
- Project Officer** | Kinara Indonesia

October 2020 – January 2021 · Indonesia

Supported youth entrepreneurship and SDG-focused programs (including UNDP and Citi Foundation Youth Co:Lab), managing budgets and stakeholder relationships.

Visiting Research Fellow | Pacific Gateway Center

April 2024 – June 2024 · Honolulu, Hawaii, United States

Produced a policy brief and funding-proposal language for a new farm program, applying an intersectional lens to immigrant and refugee farmer needs.

Auditor / Audit Associate | Ernst & Young and KPMG Indonesia

November 2018 – April 2020 · Indonesia

Audited financial statements and internal controls for accuracy, compliance, and risk; prepared audit findings and recommendations across client engagements.
